FEMINA ACHIEVERS AWARD 2025

Ms. Vinita Rohera
Honourable Vice President

Welcome to the future of learning at Gandhinagar University—Asia’s first AI-enabled campus. We believe education isn’t just about what happens inside the classroom; it is about the synergy between cutting-edge technology and your passion. Whether you are coding the next big app or leading a student club, our AI-driven ecosystem empowers you to think bigger, learn faster, and lead better. Join us to transform your potential into power.

A special moment for our university community as Ms. Vinita Rohera, our Vice President and Managing Trustee at Gandhinagar University, has been honored with the Femina Achievers Award 2025. Recognized for Excellence in Transformative Education and Technology, this award celebrates her visionary leadership in reshaping the academic landscape at Gandhinagar University. By blending cutting-edge innovation with a strong commitment to student success, Ms. Rohera continues to inspire us to think bigger and achieve more. This prestigious recognition reflects her dedication to building a future-ready institution and advancing education through innovation.

Prof. (Dr.) Kamalesh V. N.
Honourable Vice Chancellor

Education at Gandhinagar University is an immersive journey where technology serves the human spirit. As Asia’s first AI-enabled campus, we offer a unique blend of smart learning and holistic growth, ensuring that every student finds their own path to excellence. We believe that true success lies at the intersection of intelligence and character. By fostering a diverse environment of creativity and courage, we prepare our students to not only succeed in the world but to improve it."

Guided by the wisdom that 'The whole purpose of education is to turn mirrors into windows' (Sydney J. Harris), we open new vistas of opportunity for every student.

ET RAJASTHAN BUSINESS SUMMIT

We are proud to announce that Ms. Vinita Rohera, Vice President and Managing Trustee of Gandhinagar University, was recently featured as a keynote speaker at the ET Rajasthan Business Summit. Invited to join the Mega Panel on Skill Development and Employability, Ms. Rohera shared her expert insights on the vital convergence of industry and academia. Her contribution highlighted how strategic partnerships between universities and global industries are essential for equipping today's students with real-world skills. This invitation further solidifies her role as a thought leader in education, dedicated to ensuring our graduates are not just degree-holders, but industry-ready professionals. We celebrate her continued commitment to bridging the gap between classroom learning and career success.

CAMPUS DRIVE

At Gandhinagar University, we don’t just offer degrees; we shape future professionals. We are proud to share that the current placement drive has been a resounding success, with over 20 students securing their spots in the professional arena. Driven by a commitment to quality, our students have impressed leading recruiters such as Insolutions Global, Raapyd INC, ASC Technology, and Samrika Pharma, securing packages as high as ₹6.5 LPA. This success story reflects the perfect alignment of our students' hard work and the Placement Cell’s tireless dedication. To our placed students: the sky is the limit. To our future recruiters: the next generation of leaders is ready for you.

ACTIVITIES

FRIENDSHIP DAY CELEBRATION

On August 1st, 2025, the Gandhinagar University campus came alive with the vibrant spirit of Friendship Day, a celebration that truly captured the essence of "friends like family." Taking inspiration from the trending reels and heartfelt posts seen across Instagram, students filled the day with laughter, traditional friendship band exchanges, and plenty of picture-perfect moments. The atmosphere was a beautiful blend of joy and nostalgia as peers from all departments celebrated the bonds that make college life unforgettable. From group selfies to shared stories, the event served as a sweet reminder that while we come to GU to build careers, we stay for the lifelong friendships we create along the way.

ORIENTATION PROGRAMME

On Tuesday, August 5, 2025, Gandhinagar University successfully hosted its 2024-25 Orientation Program, welcoming over 2,000 new students and parents at the Open Air Theatre and Seminar Hall. The event began with a ceremonial lamp lighting and Ganesha Vandana, followed by inspiring addresses from the University leadership and Guest of Honor, Mr. Kamal Mangal, who emphasized ethics and leadership. The program balanced administrative clarity with cultural vibrance, featuring sessions on AI Modules, global IEEE opportunities presented by Mr. Pramod Kumar P, and the distribution of the Student Handbook to outline academic regulations. Supported by efficient digital registration and dedicated help desks for logistics like hostels and transport, the event concluded with a "Student of the Year" awards ceremony and a patriotic rendition of the National Anthem. Feedback indicates the program successfully eased student anxieties, fostering a strong sense of community and readiness for their upcoming academic journey.

FROM CLASSROOMS TO CAREERS: INDUCTION WEEK

The GIT Induction Programme for the 2025-2026 academic year successfully commenced on August 6, 2025, marking a pivotal milestone for the incoming first-year batch. Designed to ensure a seamless transition into the vibrant academic landscape of Gandhinagar University, the program focused on bridging the gap between school and professional higher education. Students were introduced to the university's rigorous academic and administrative processes while being encouraged to embrace a culture of technical learning and innovation. Beyond the classroom, the sessions emphasized the importance of teamwork, discipline, and professional ethics—core values that will define their future careers. By providing early exposure to institute resources, specialized laboratories, and diverse student clubs, the induction empowered the new cohort to navigate their campus life with confidence and purpose.

PATRIOTISM AND FESTIVE DEVOTION

The 79th Independence Day was celebrated alongside the divine festival of Nandotsav on August 15, 2025, at the University's Open Air Theatre. Under the guidance of Vice Chancellor Lt. General Asit Mistri, the event featured a spirited NCC parade and cultural performances by 35 talented students. The celebration was marked by a high-energy Dahi Handi competition involving 90 participants, creating a vibrant atmosphere that brought together students, staff, and parents in a display of national pride and community bonding.

SPIRITUAL HARMONY AND CULTURAL HERITAGE

- The campus resonated with spirituality during the Ganpati Mahotsav on September 2, 2025. This celebration balanced devotion with environmental consciousness through an Eco-Friendly Idol Making competition, where Dhruvi Patil of GIT secured the top prize.
- The festivities continued with the Matakhi Chowki celebration on September 26, where Ms. Vinita Rohera joined the university family for prayers and bhajans. This event also featured an Aarti Thali Decoration competition, won by Khushi Verma and Suhani Vaghela, further showcasing the creative talents of the student body.

ACTIVITIES

TEACHER'S DAY CELEBRATION

On September 5, 2025, the Gandhinagar Institute of Technology and GIM MBA celebrated Teachers' Day to honor the birth anniversary of Dr. Sarvepalli Radhakrishnan. Under the guidance of Dr. Mohit Bhadla (HOI) and faculty coordinators, students expressed gratitude to their mentors through a cake-cutting ceremony and presentation of mementos by MBA Semesters 1 and 3. A special highlight of the event was an initiative where five students took on the roles of faculty members and conducted classes, giving them a firsthand experience of teaching responsibilities. The celebration strengthened the bond between teachers and students while recognizing the dedication of faculty members in shaping future professionals.

ENGINEERING THE NATION: A TRIBUTE AT GIT

On September 15, 2025, Gandhinagar Institute of Technology (GIT) proudly celebrated Engineers' Day, commemorating the birth anniversary of the legendary Bharat Ratna, Shri Mokshagundam Visvesvaraya. As a tribute to India's greatest pioneer in nation-building, the event highlighted the indispensable role engineers play in shaping modern society through technology and creative problem-solving. The celebration aimed to instill a deep sense of pride in the student body, making them aware of how engineering touchpoints influence everyday life. By recognizing the dedication required to excel in the profession, the program successfully inspired the next generation of engineers to uphold the spirit of innovation and commit themselves to the technological advancement and development of the nation.

NATIONAL SPORTS DAY

The spirit of athleticism took center stage at Gandhinagar University on September 02, 2025, as we marked the 29th National Sports Day with high energy and vibrant participation. Over 110 students stepped onto the field to test their agility and coordination in a series of adrenaline-pumping challenges. The schedule featured a dynamic mix of individual and duo events—including German Drills, Shuttle Runs, Baton Relays, and the unique 'Bricks with Partner' race. Beyond the competition, the event served as a powerful reminder of the university's dedication to holistic wellness, blending fitness with the essential values of teamwork and camaraderie.

WORLD PHARMACIST DAY

Commemorating World Pharmacist Day on September 25, 2025, the Gandhinagar Institute of Pharmacy organized a Health Check-up Camp and an awareness skit to promote community wellness. Students actively engaged in conducting health assessments for 60 beneficiaries while highlighting the crucial role of pharmacists through creative performances. This initiative effectively blended professional practice with social responsibility, empowering the community through preventive healthcare education.

NATIONAL PHARMACOVIGILANCE WEEK

Gandhinagar Institute of Pharmacy observed the 5th National Pharmacovigilance Week on September 22, 2025, focusing on the theme "Your Safety, just a Click Away." The event successfully blended academic awareness with creativity through debates, reel-making, and poster competitions to highlight adverse drug reaction monitoring. Winners, including Aum Shah, Kaushal, and Mahek Gohil, were recognized for their insightful contributions to promoting patient safety and the rational use of medicines.

GU SMART INDIA HACKATHON 2025

Gandhinagar University fostered technical innovation by conducting its Internal Smart India Hackathon on September 25, 2025, coordinated by Dr. Angira Patel. Following two preparatory awareness sessions, 35 teams presented innovative solutions to real-world challenges, with the top two teams earning trophies and selection for the national round. This event served as a significant platform for students to demonstrate their problem-solving skills and technical expertise.

NPTEL STARS

- **Mr. Mehul R. Rana** completed an 8-week NPTEL course on Current Regulatory Requirements for Conducting Clinical Trials in India for Investigational New Drugs/New Drug (Version 3.0).
- **Ms. Puja Chaturvedi** successfully finished a 4-week NPTEL certification in Python for Data Science.
- **Ms. Dhruvi Vanecha** earned her certification in the 4-week NPTEL course Python for Data Science.
- **Ms. Tithi Patel** completed the 4-week NPTEL program focused on Python for Data Science.

INDUSTRIAL VISITS

- Gandhinagar University fostered experiential learning through two strategic industrial visits in September 2025. MBA students explored global logistics and supply chain operations at Adani Mundra Port, while GIS students gained insights into sustainable manufacturing and safety standards at IFFCO, Kalol. Involving over 90 participants, these initiatives successfully bridged the gap between academic theory and real-world application, significantly enhancing the students' industry readiness.
- GIS students gained insights into sustainable manufacturing and safety standards at IFFCO, Kalol. Involving over 90 participants, these initiatives successfully bridged the gap between academic theory and real-world application, significantly enhancing the students' industry readiness.

RESEARCH & INNOVATION

We are proud to announce that the faculty of Gandhinagar University has reached a significant milestone with the official approval of a new design patent from the Government of India (Intellectual Property India). On July 21, 2025, the "**TRANSACTION FRAUD DETECTION DEVICE**" (Design No. 466604-001, Serial No. 210411) was formally registered, marking a triumph for the university's research community. This innovative achievement is the result of the tireless dedication of our esteemed team: Mr. Dhaval Chudasama, Joshi Nilam Rameshbhai, Dr. Ankit Kumar Srivastava, Apexa Patel, Raval Hitarth Hareshkumar, Nimisha Bakulbhai Chaudhari, Dr. Swasti Saxena, and Kavita Pawar. By bridging the gap between academic research and real-world security solutions, the Gandhinagar University faculty continues to lead the way in technological advancement and intellectual property excellence in India.

EXPERT LECTURES

- On 14 August 2025, Gandhinagar Institute of Management (GIM) in collaboration with Gandhinagar Institute of Science (GIS) organized a seminar for MBA Semester 3 students. The session was conducted by Dr. Kathan Shukla from IIM Ahmedabad, who discussed emerging management trends, leadership strategies, and practical business insights. His expert perspectives enhanced students' understanding of contemporary management practices.
- On 14 August 2025, Gandhinagar Institute of Science (GIS) and Gandhinagar Institute of Management (GIM), under the banner of IQAC, organized an Expert Talk on *Designing Journey to Become World Class* by Dr. Kathan Shukla from IIM Ahmedabad. The session focused on personal growth, professional excellence, and strategic thinking required to achieve global standards in academics and careers.
- On August 22, 2025, the Gandhinagar Institute of Science (GIS) hosted an expert talk featuring Dr. Viral Shukla, Vice President of the MBSI Gujarat Unit, titled *Applied Sciences & MBSI: Building Competence, Creating Futures*. The session provided a roadmap for students to transition from academia to industrial leadership, emphasizing the role of the Microbiologists Society of India (MBSI) in fostering global networking and innovation in bio-sciences. Supported by Registrar Dr. Chetan Gupta, the event highlighted the importance of aligning scientific temperament with modern research demands, ultimately inspiring students to leverage professional resources for future technological breakthroughs.
- On 25 August 2025, a seminar was organized for MBA Semester 1 and 3 students of GIM and GIL. The session was delivered by Dr. Jaimin R. Vasa, Chairman & Managing Director of Vasa Pharmachem Pvt. Ltd. He shared his entrepreneurial journey, challenges in MSMEs, and strategies for business innovation and sustainability. His motivational address inspired students to think beyond conventional career paths and explore entrepreneurship.
- On 26 August 2025, Gandhinagar Institute of Pharmacy (GIP) organized a guest lecture for all semesters on the topic *Bridging Basics and Breakthrough in Immunological Disorders*. It was delivered by Dr. Gaurang B. Shah, Professor & Head of Pharm.D, L.M. College of Pharmacy. The lecture highlighted fundamental immunology concepts along with recent advancements in treatment approaches, helping students connect theoretical knowledge with real-world medical applications.
- On 28-29 August 2025, as part of the MoU between Gandhinagar University and Edunet Foundation under the IBM CSR initiative, a two-day workshop was organized for the MBA students of GIM. The workshop aimed to expose students to cutting-edge technologies, industry-relevant tools, and skill-based learning aligned with current corporate demands. Hands-on sessions enabled participants to enhance their technical and analytical competencies.
- On 3 September 2025, Gandhinagar Institute of Science (GIS), in collaboration with Gandhinagar Institute of Pharmacy (GIP), Gandhinagar Institute of Nursing (GIN), and the Department of Robotics and Automation (GIT), organized an Expert Talk on *Next Generation Healthcare: AI and Robotics in Gut Health*. It was delivered by Dr. Dhaivat Vaishnav (MS, DNB – Surgical Gastroenterology), Zydus Hospital, Ahmedabad, highlighting how artificial intelligence and robotics are revolutionizing medical diagnosis, treatment, and surgical procedures in gastrointestinal healthcare.
- On 19 September 2025, Gandhinagar Institute of Science (GIS), in collaboration with the Microbiologists Society of India (MBSI), celebrated *World Microorganisms Day* with a series of creative and academic competitions. The event included BioTattoo Buzz, Flavours of Fermentation, Stone Painting, Debate, Rangoli, and Reel Making. The celebration aimed to raise awareness about the role of microorganisms in health, environment, and research while encouraging student participation and innovation.
- On September 19, 2025, the Gandhinagar Institute of Computer Science and Applications (GICSA) partnered with BrainyBeam Technologies Pvt. Ltd. to host a high-impact workshop on *Web Development and Hosting*. Attended by over 250 students and faculty, the session featured expert speakers Mr. Arshad Miyawala and Mr. Dhruvan Vachhani, who provided hands-on training in Bootstrap, responsive grid systems, and modern component design. Participants from Semesters 3 and 5 gained valuable practical exposure to deploying websites on both free and paid hosting platforms for real-world application. This collaborative initiative successfully equipped aspiring developers with the technical edge needed for professional web deployment.
- On 20 September 2025, Gandhinagar Institute of Technology (GIT) organized a one-day Expert Session on *Cyber Forensics Techniques* for CS/AI students. The session was conducted by Dr. Deepak Upadhyay, Department of Cyber Security, GTU, under the guidance of Dr. Mohit Bhadla (HOI-CE/IT/CSE/CS/AI). The session provided practical insights into digital evidence analysis, cybercrime investigation, and forensic methodologies.

- On 22 September 2025, Gandhinagar Institute of Pharmacy (GIP) organized a guest lecture on *Pharmacovigilance Programme of India (PvPI)*. The session was delivered by Dr. Indermeet Singh Anand, Professor, Shri Sarvajanic Pharmacy College, Mehsana. He discussed drug safety monitoring, adverse drug reactions, and the importance of pharmacovigilance in public health.
- On 25 September 2025, GIP organized a guest lecture on *Role of Pharmacist in Diabetes Management*. The session was delivered by Dr. Kaushik B. Kanada, Planning and Development Officer, Gujarat Technological University. He emphasized the pharmacist's role in patient counseling, medication adherence, and lifestyle management for diabetes care.
- On 25 September 2025, GIT organized a one-day expert session on *Deep Learning* for CS/AI students. The session was conducted by Mr. Kalpesh Patel, Co-Founder at Shweta Technologies. He explained neural networks, machine learning models, and real-world applications of deep learning in automation and AI-driven industries.
- On 29 September 2025, GIT conducted an expert session on *Computer Vision*. The session was delivered by Mr. Kaushal Kalariya from Top Technology, under the guidance of Dr. Mohit Bhadla. He discussed image processing, object detection, and AI-based visual recognition systems used in smart technologies.
- On September 30, 2025, the Gandhinagar Institute of Pharmacy (GIP) hosted a comprehensive *Student Induction Programme* for the incoming B.Pharm Semester 1 batch. This orientation was designed to seamlessly integrate students into the institute's culture, development initiatives, and academic ecosystem. During the event, Dr. Sandip Badeliya (Principal) provided an inspiring and detailed overview of the institute's mission and facilities, while Dr. Jagruti Prajapati (Professor) conducted vital sessions explaining the academic framework, including the exam structure and internal evaluation guidelines. The program successfully set the foundation for the students' academic journey, ensuring they are well-equipped to navigate their pharmacy education with clarity and confidence.

FACULTY ACHIEVEMENTS

Dr. Dhaval Acharya (GIS)

- Attended Microbiology & Biotechnology GIS Online Workshop 18th to 22nd August, 2025, Participated in online workshop on "Molecular docking", organized by Department of Microbiology and Biotechnology, Maharaja Sayajirao University of Baroda.
- Served as a Judge during MBSI Events, like: Model Making, Content Writing, Scitoon, & Stone Painting organized by L J University.
- Served as a Judge during the National Conference on Microcosm to Cosmos: Exploring the frontiers of Science organized by the Department of Microbiology, Tolani College of Arts and Science.

Dr. Shreya Modi (GIS)

- Completed Coursera Certificate: The Sustainable Development Goals-A Global, Transdisciplinary Vision for the Future, 10 Jul 2025, University of Copenhagen.
- Attended International Microorganisms Day Celebration and acted as a Coordinator of the event, and organized various competitions like: BioTattoo Buzz Competition Flavours of Fermentation Stone, Painting, Debate, Rangoli, Reel Making.

Ms. Tanvi Panchal (GIS)

- Attended Microbiology & Biotechnology GIS Online Workshop 18th to 22nd August, 2025 Participated in online workshop on Molecular docking, organized by Department of Microbiology and Biotechnology, Maharaja Sayajirao University of Baroda.
- Presented an Oral presentation on: Exploration of Bioactive Potential of Halophilic Bacteria isolated from Saline Environment of Koliyak beach.

Ms. Khushi Chitania (GIS)

- Attended 3 days hands on training workshop from 09/09/2025 to 11/09/2025
- Selected for the National Microscopy training held at National Centre of Cell Science, Pune, BRICs NCCS.

Dr. Chetan Gupta (GIN)

- Presented a paper entitled A Novel Approach of P & T Wave Detection Using Wavelets organized by International Journal Of Research in Technology which was held on 3rd August, 2025.
- Participated as a Speaker in the Virtual National Workshop on PALLIATIVE CARE- SHAPING STRONGER HEALTH SYSTEM organized by SOCHNI in collaboration with End-of-Life Nursing Education Consortium, USA (credit Hours Awarded by INC).

- Accomplished the online Certificate Course in ADVANCE AI TOOLS FOR ACADEMIC RESEARCH AND ACADEMIA. organized by Glorious International Nursing research and Academic (GINRA).
- Played a role as a Reviewer : Book Of Community Health Nursing-II authored by Monika Sharma, Vision Publication.

Ms.Charmy Patel (GIN)

- Participated as a Delegate in the Virtual National Workshop on PALLIATIVE CARE- SHAPING STRONGER HEALTH SYSTEM organized by SOCHNI in collaboration with End-of-Life Nursing Education Consortium, USA.
- Completed the hand on Training Programme on BCLS (Basic Cardiac Life Support) organized by Gandhinagar University in collaboration with Delta Health Care, Vadodara, Gujarat.
- Played a role as a Reviewer : Book Of Community Health Nursing-II authored by Monika Sharma, Vision Publication.

Ms.Chandani Aparnathi (GIN)

- Served as a Resource Person for the program on Enhancing Teaching Quality in Nursing Education.
- Participated in a National E-Conference on Ensuring Safe Newborn Care.
- Attended an Online Webinar on Today's Exams: The Role of Students, Teachers, Parents, and Society.

Ms.Miki Patel (CE)

- Completed the FDP Course on Role of AI Tools and ChatGPT in Teaching organized by Tops Technologies.

Ms. Shrushti Vadher (CE)

- Completed ATAL FDP on Advancements in Data Science and Machine learning: Concepts to applications organized by GEC Modasa.

Ms.Mukti.A.Jadav (GIP)

- Completed her PhD in Pharmacy from Gujarat Technological University

STUDENT ACHIEVEMENTS

Sanket Patel (PhD Research Scholar, GIS)

- Secured First Rank in Oral Presentation at a National Conference organized by Tolani Arts and Science College, Adipur.

Sagar Sharma (PhD Research Scholar, GIS)

- Secured Second Rank in Poster Presentation at a National Conference organized by Tolani Arts and Science College, Adipur.
- Authored and published a national-level textbook on Biochemistry.

Archi Patel (PhD Research Scholar, GIS)

- Participated in an Online Workshop on Molecular Docking organized by MS University of Baroda.

Margi Patel (PhD Research Scholar, GIS)

- Presented a poster at the National Conference on "Unlocking India's Traditional Knowledge: From Regional Scripts to Global Health" organized by GTU, Ahmedabad.

Mansi Rathod (BSc Microbiology Sem 3)

- Participated in an Online Quiz Competition on Microbiology organized by Mewar University.

Kirti Jagatiya (BSc Microbiology Sem 3)

- Secured 3rd Rank in a National-Level Essay Competition on The Montreal Protocol: A Success Story organized by Shiksha Sanvardhan Trust, Jharkhand.
- Secured third rank in the SciToon Competition at Science Manthan 2025 organized by P.D. Patel Institute of Applied Sciences, CHARUSAT
- Won third prize in an essay writing competition on World Ozone Day organized by Shiksha Sanvardhan Trust.

Uday Patel, Vraj Panchal, and Durga Rathod (BSc Microbiology Sem 3)

- Secured third rank in the Poster Competition (UG Category) at Science Manthan 2025.

Durga Rathod

- Secured second rank in the Canva post-making competition organized by Udayan Care.

Kirti Jagatiya, Muskan Agaza, Zena Nagar, and Dhyani Mirani (BSc Microbiology Sem 3)

- Participated in the Ganesh Idol Making Competition organized by Gandhinagar University.

Dhenvi Patel (BSc Biotechnology Sem 3)

- Completed a one-week online certificate course on Basic Bioinformatics conducted by Dr. Poonam Mishra under the Science Deluge Series.

Shambhavi Joshi (BSc Biotechnology Sem 3)

- Participated in Biocalyx-2025: The Interwoven Earth organized by St. Xavier College, Ahmedabad, and also secured 2nd Rank in the Stone Painting Competition organized by the Department of Microbiology & Biotechnology, Gandhinagar Institute of Science.

Prithvi Mittal, Dhenvi Patel, and Aparna Singh (BSc Biotechnology Sem 5)

- Secured Runner-Up position in a Debate Competition held on International Microorganisms Day at GIS.

Prithvi Mittal, Vidit Joshi, and Dhenvi Patel (BSc Microbiology & Biotechnology Sem 3)

- participated in a hands-on workshop on "Genetic Engineering in Action: From Concept to Lab Bench" organized by The Mandvi Education Society.
- Participated in an online webinar on Board Exam Preparation organized by Nozarex Audentials (OPC) Pvt. Ltd.,
- Participated in webinar on International Microorganisms Day organized by Silver Oak University.

Prithvi Mittal, Dhenvi Patel, Shambhavi Joshi, Aparna Singh, and Dhyani Mirani (BSc Microbiology & Biotechnology Sem 3)

- Awarded a consolation prize in the National Level Calendar Making Competition organized by the Microbiologist Society of India.

Dhrumi Padhiyar (MSc Microbiology Sem 3)

- Secured First Rank in Reel Making
- Second Rank in Rangoli Making,
- Passed the Minaxi Lalit Test organized by Gujarat Science Academy
- Participated in the National Conference Echoes of Healing organized by Gujarat Technological University.
- Dhrumi Padhiyar (MSc Microbiology Sem 3) secured second rank in the Best Biotechnology Student Award, participated in multiple online webinars on NABL laboratory systems and clean energy, attended an international conference on microbial advancements, and was selected for dissertation research at ICMR-NIOH, Ahmedabad.
- Delivered an Oral Presentation at the International Conference on Biotrends: Environment Sustainability in Science & Technology organized by Noida Institute of Engineering & Technology.

Hirvisha Buntaria (BSc FC Sem 1)

- Secured third rank in the SciToon Competition at Science Manthan 2025 and also earned first rank in another event.

Durga Rathod, Jignasha Chauhan, and Kinjal Chauhan (BSc Sem 3)

- Participated in an NCC Camp at NCC Headquarters, Law Garden.

Tanvi Panchal, Aarchiben Dipakkumar Patel, Daxkumar Rameshbhai Patel, and Dhvani Hiteshkumar Panchal

- Awarded prestigious fellowships such as the MBSI PhD Fellowship and the Shodh Fellowship.

Dhrumi and Krina Patel (MSc Microbiology Sem 3)

- Presented a poster on "Microbial Degradation of Plastic" at Science Manthan 2025.

Yashvi Jayswal, Abhishek Rathod, and Mahek Makwana

- Presented a poster on "Biohydrogen Production through Dark Fermentation." They also completed a 15-day Regional Training Programme conducted by GSBTM, Government of Gujarat.

Mitra Mistry (B. Tech CSE Sem 5)

- Presented a research paper titled "Sustainability Through Indian Grains: Leveraging Traditional Food for Climate Resilience" at Pandit Deendayal Energy University (PDEU), Gujarat.

Raunak Kumar Jha (GIT Sem 3)

- Achieved third rank at Nirma University hackathon, earned recognition in the Girl Script Summer of Code program, and won a private hackathon conducted by IIT Guwahati in collaboration with Masai.

Atharva Kamble, Adityakumar Jaiswal, Yash Gondalia, Roshan Talreja, Astha Singh, and Mantthan Zalke (GIT B Tech CSE)

- Reached the final round of the Smart India Hackathon 2025 at Hyderabad.

Mukeshkumar Patel (GICSA)

- Achieved second position in the National Integration Camp NIAP presentation at Jaisalmer, Rajasthan.

Khushi Kumari (GICSA)

- Selected for the National Kabaddi Championship 2025.

Abhay Jagatiya (GICSA)

- led bootcamps organized by Royal Technosoft Pvt. Ltd.

Jhanvi Raval (GICSA, BSc Sem 4)

- showcased her innovative skills at the NASA Space Apps Challenge at Nirma University and successfully participated in multiple rounds of the Odoo Hackathon conducted at Adani University.

Chartitarth Zinzuwadiya

- participated in the AIT Hackathon at Ahmedabad Institute of Technology.

Brahmbhatt Heli HirenKumar, Khatri Gracy Jignesh, Mudaliyar Niveta Arumugam , and Sindhi Rahul Mohanlal

- Participated in ANUSANDHAN 2025/2026/2027, a state-level Summer Internship Project (SIP) competition organized by GTU School of Management Studies, Ahmedabad, where they presented their research-based projects and gained valuable exposure to academic evaluation and professional presentation skills.

Anand Pratham Prakashkumar, Zala Mohitrajsinh Manojsinh, Rathod Mohitkumar Sanjaysingh, Pawan Kumar Pandey , Shukla Pratik Vidyasagar , and Thakkar Shweta Mayurkumar

- Attended the 9th Annual Memorial Lectures on Operation Sindoor, organized by the Air Force Association, Gandhinagar, in honor of Flying Officer Nirmal Jit Singh Sekhon, Param Vir Chakra, where they gained insights into military valor, national security, and leadership values, enriching their overall learning experience beyond the classroom.
